The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.wellmark.com or call 1-800-524-9242. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at www.healthcare.gov/sbc-glossary or call 1-800-524-9242 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall <u>deductible</u> ?	\$750 person/ \$1,500 family per calendar year.	Generally, you must pay all the costs from providers up to the deductible amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual deductible until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Well-child care, <u>in-network</u> preventive care, <u>in-network</u> office services, <u>in-network</u> independent labs, <u>in-network</u> urgent care and <u>in-network</u> prosthetic limbs are covered before you meet your deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the deductible amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. \$50 person/ \$100 family per calendar year for drug card, which does not apply to Tier 1 Rx. There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	Health: \$1,500 person/ \$3,000 family per calendar year. Drug Card: \$1,000 person/ \$2,000 family per calendar year. The In-Network health and drug card <u>out-of-pocket</u> maximum amounts accumulate separately.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, <u>balance-billed</u> charges, and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See www.wellmark.com or call 1-800-524-9242 for a list of <u>network providers</u> .	This <u>plan</u> uses a provider network. You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Important Questions		Answers	Why this Matters:
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.		You can see the <u>specialist</u> you choose without a <u>referral</u> .
 All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan.
