**Board of Supervisors meeting attendance and participation provisions during this public health emergency:**

Due to the COVID-19 public health emergency, and to abide by health safety and social distancing guidelines, limited numbers of visitors will be permitted to be physically present at the meeting. Remote participation options continue to be available and are further described elsewhere on this agenda. All persons who will be physically present at the meeting must go through a health screening survey at the secured west entrance to the Courthouse. If the meeting room is at capacity, visitors may be asked to leave and access the meeting through remote sources.

Remote participation for this meeting is available via telephone and the internet using the information at the bottom, or second page, of this agenda. Various telephone numbers are listed in that information for audio only access. Given the current public health emergency declared by the Governor, with respect to COVID-19, it is the position of the Board of Supervisors that their weekly meeting may occur electronically, as authorized under Iowa Code Section 21.8, as it may be impossible or impractical to have the meeting in person and yet be fully open to the public.
