Chairman Hartwig called the meeting to order at 6:30pm.

Motion by Swisher to approve the agenda, second by Kraai, all aye, motion carried.

Motion to approve April 2, 2026, minutes by Kraai, second by McPherson, all aye, motion carried.

Motion by McPherson to approve the Chairman and Director to sign the EMPG FY25 CAAF and changes to the application. Second by Weimer, all aye, motion carried.

Leonard has placed six Davis Weather Stations around the county to make sure that every quadrant of the county is covered by a station for accurate wind and rain measurements. There have been multiple times they have been a beneficial resource for Jones County residents for insurance purposes.

FY28 Budgets were discussed and the change of being capped at a 3% increase in funding from the County.

Motion to adjourn at 6:52pm by Swisher second by Graver, all aye, motion carried.

Recorded by: Brenda Leonard, Coordinator, Jones County Emergency Management
