

# Immunization Audit Report 2018

Assessments of children attending licensed childcare centers, preschools, or elementary or secondary school are conducted to ensure attendees have received the required immunizations and have an appropriate Certificate of Immunization, Certificate of Immunization Exemption, or Provisional Certificate of Immunization. Immunization audits are completed between October and January for all schools, preschools, and licensed childcare facilities. Immunization requirements are posted on the Iowa Department of Public Health’s [Immunization Program website](#).

- *Provisional Certificate*: Child is not immunized according to requirements, but has a temporary certificate that allows 60 days to update their immunizations.
- *Exemptions*: Medical and Religious Exemptions are the only exemptions available in Iowa.
- *No Certificate*: Child does not have an acceptable certificate or does not have any immunization certificate on file.

Table 1. Immunization Audit Results

	Preschool/Childcare		School-Age (K-12)		Totals	
Records Reviewed	471		2907		3378	
Certificates	457	(97.0%)	2849	(98.0%)	3306	(97.9%)
Provisional Certificates	1	(0.2%)	1	(0.03%)	2	(0.1%)
Medical Exemptions	0	-	3	(0.1%)	3	(0.1%)
Religious Exemptions	5	(1.1%)	31	(1.1%)	36	(1.1%)
No Certificates	8	(1.7%)	23	(0.8%)	31	(0.9%)
